PROFILE

I am a Front-End Web Developer with excellent time management skills and strong attention to detail. These skills, combined with my knowledge in business and accounting, help me to ensure projects are delivered on time.

I am continuous learner and never afraid to take on challenges. As a developer, I bring to the team new ideas, knowledge sharing, a collaborative mindset, and a drive to keep the team moving in the right direction.

EMPLOYMENT HISTORY

Business Development Asst. / Bookkeeper, BGD LLP

Mississauga

2015 — 2019

- Managed reports to ensure deadlines were being met and engagements were flowing at an achievable and realistic time, especially during the busy tax season
- Effectively managed clients' payroll and bookkeeping using Sage 50, requiring strong attention to details and accuracy

Social Media Manager, 2vLive

Toronto

2013 — 2014

- Successfully managed day-to-day content on social media platforms, which resulted in a 100% increase in the number of followers

Marketing Coordinator, Stellar Point

Whitby

2013 — 2013

- Monitored the website and worked with the developers team to ensure all information was up-to-date and accurate
- Prepared and optimized online advertising on Google AdWords, increasing sales

EDUCATION

Web Development Immersive Certificate, Juno College of Technology (FKA HackerYou)

Toronto

Sep 2019

Diploma in Business Marketing , Centennial College

Toronto

2011 — 2012

Bachelor in Business Admin, Cruzeiro do Sul University
